

EUROMICRO FOUNDERS
40th ANNIVERSARY REUNION
Sept 18-20 2014 - ST PAUL DE VENCE

Gunnar Carlstedt gunnar@carlstedt.se
1946, March 5
1973, Chalmers UT Gothenburg Components in central processors
1983-2010 Prof Computer architecture, Chalmers UT Gothenburg
<http://www.carlstedt.se/index.en.htm>
archaeology, colonisation of a landscape from 4000 BC, simulation,
game hunting

??

Gerhard Chroust gerhard.chroust@jku.at
1941, April 23, Vienna
1974 PhD Vienna
1980 Professor in Computer Science Kepler University Linz Software
engineering, cybernetics
Editor IFSR, many editorial boards
http://en.wikipedia.org/wiki/Gerhard_Chroust

Reiner Hartenstein reiner@hartenstein.de **Angie**
1934, December 18
1969 PhD Karlsruhe IT on Finite state acceptor / pattern recog.
1971-77 Prof KIT Karlsruhe Computer Architecture VLSI design
1977 - now: Prof. TU Kaiserslautern, Computer Arch. and VLSI Design
<http://hartenstein.de>

hobbies: giving keynote <http://hartenstein.de/keynotes.htm>

Harold "Bud" Lawson bud@lawson.se **Annika**
1937, December 13, Philadelphia, Pa
PhD Computer Eng, Royal Tech Univ Stockholm
Professor Emeritus, Linköping University
Coordinating Editor, Systems Series, Kings College
Charles Babbage medal award
Tennis Double Champion Stockholm, 2011
www.thesystemslandscape.com

Pierre Le Beux pierre.lebeux@orange.fr
1944, June 7, Scaer France
1968 Ingénieur Ecole Centrale de Paris
1974 Phd Medical Information Science
1974-88 Professor Compiègne, Sorbonne
1988-2011 Professor Medical Informatics (AI) Univ. Rennes 1

Walking , Skiing, Sailing, Reading literature, Jazz, Movies

Karl-Erwin Grosspietsch karl-erwin.grosspietsch@online.de
1948, September 15
1979 PhD in Computer Science, University of Bonn
1980-2009 Senior Scientist (computer eng) Fraunhofer Gesellschaft

Hobby; computer engineering, physics & astronomy, history
hiking, swimming

Lorenzo Mezzalira mezzalir@elet.polimi.it **Gabriella**
1944
1968 Politecnico di Milano
1982 Professor of Computer Science
Wide interest on microcomputer systems and real-time systems
http://www.deib.polimi.it/personale/dettagliop.php?id_persona=59926&idlang=ita

John Luxhøj Mølgaard jm@delta.dk

-no data -

<p>Jean-Daniel Nicoud nicoud@didel.com 1938, August 31 1968 PhD EPFL Binary/Decimal conversion 1970-2000 Prof EPFL Microprocessor systems 2000- Founder of Didel SA, microcomputers syst. for education 2013/14 EPFL MOOC "Comprendre les Microcontrôleurs" www.didel.com .wikipedia.org/wiki/Jean-Daniel_Nicoud Hobby: soldering iron and CALM assembler, paragliding, delta</p>	
--	--

<p>Jean-Claude Pelissolo gulliver55@club-internet.fr Françoise 1939, November 10 Orléans Ecole Polytechnique (Paris. 1958) CEO of various Cies domain: electronics. electronic commerce, many activities Since 2001, X-Mines-Consult http://fr.wikipedia.org/wiki/Jean-Claude_Pelissolo Hobby: walk, travel</p>	
--	---

<p>Joan Peracaula juan.peracaula@upc.edu Asun 1931, August 20 PhD UPC Barcelona and UP Madrid Control Engineering Professor at UP Madrid" (1965 to 1971) and UPC-Barcelona (1971 to 2001) "Microcontroller and Digital Systems applications to Power Electronics" http://www.jperacaula.net Now: PhD advisor, conferences, paper reviewer, reading, painting, photography, travelling</p>	
--	---

<p>Jacques Tiberghien jgtiberg@vub.ac.be 1946, April 1 PhD: VUB, related to electrocardiograms. Prof at Vrije Universiteit Brussel and ULBruxelles, Computer engineering and telecommunications. Supervise 2 PhDs and 4 MS on wireless Sensor Nets My main hobby is house renovation.</p>	
---	--

<p>Cees van Spronsen cees.vanspronsen@gmail.com 1941, Dec 25 1970 M Sc in Information Engineering, UT Delft 1970-1980 Delft University of Technology, in Computer Architectures 1980-2006 Manager Sun Microsystems Professional NL Present: Director and ICT Consultant at Capcis Hobbies: Mountaineering, Golf, swimming</p>	
---	---

<p>Jan Wilmink jwilmink22@gmail.com 1946, Brummen NL 1969 PhD Delft University NL Applied Physics 1969-1991 Prof.Informatics TH Twente 1991-2013 Independant Interim Manager Hobbies: Work, Woodworking, Running (1/2 Marathon), Tennis, Skying, supporter of the FC Utrecht, Story telling, study Italian, Field Hockey coach</p>	
--	---

<p>Rodnay Zaks rodnay@zaks.org 1946, Oct 2, Paris. 1967 Ecole Centrale, Paris 1972 PhD CS, University of California, Berkeley APL 73-76 UT Compiègne 1976 Founder Sybex Berkeley and Paris, other cities later Many books. Sybex sold to Wiley in 2005 http://en.wikipedia.org/wiki/Rodnay_Zaks Former runner, now cyclist.</p>
